- Official, complete academic credentials (i.e., marksheets, degree certificates, transcripts, etc.). Undergraduate applicants must submit official transcripts from all secondary or middle schools and all universities, colleges or professional schools attended. To be official, this copy must bear the original stamp or seal and signature of a school officer from the original issuing institution or examining board. The seal, stamp, and signature must be placed on the copy after photocopying. Copies certified by a consulate, embassy, military, notary public or other parties are NOT acceptable. For Indian marksheets we accept only certified copies of the original, complete University marksheets, not marksheets that have been retyped and consolidated by affiliated colleges. Individual transcripts from each school attended are required. If the original language of the record is not English, a certified English translation must be attached.
