

Graduate International Application Instructions

How to Apply:

Application Deadlines

For applicants **outside the United States**, applications and all credentials required for admission must be received in the Office of Admissions by:

March 1 - fall (August); **September 1** - spring (January); **February 1** - summer (June)

For applicants **already in the U.S.**, there are no university admissions office application deadlines. However, departments have their own particular deadlines and additional requirements (i.e. letters of recommendation, GRE or GMAT score, portfolios, etc.) for admission to their graduate programs. Please contact the academic unit in which you wish to study to receive complete information.

This application form in PDF format is designed for you to fill out on-screen, then print and mail to the University. Or, if you prefer, you may print the application, fill it out by hand and then mail it.

Please note that **this application form cannot be sent electronically**. If you wish to submit your application electronically, go to https://ssb.ou.edu/pls/PROD/bwskalogs.P_DisplLoginNon.

Non-refundable application processing fee:

\$90 for international students

Make checks/money orders payable to University of Oklahoma in U.S. dollars through a U.S. bank, or complete the credit authorization section.

No action will be taken on your application until the fee is received.

Materials to be submitted in addition to the admission application and application fee:

- An official TOEFL score report directly from the Educational Testing Service, or an official IELTS score report, or satisfy the English proficiency requirement in one of the other ways listed at <http://www.ou.edu/admissions/home/requirements/international.html/>.
- Bank statements and letters of financial support which are less than 90 days old to verify your financial support.
- Official, complete academic credentials (i.e., marksheets, degree certificates, transcripts, etc.). Graduate applicants must submit official transcripts from all universities, colleges or professional schools attended since secondary school. Transcripts should show the individual subjects studied, the marks or grades and number of credits received in each subject for each year, and any certificates, diplomas or degrees awarded. Official copies of all academic records are required. If only the original is available and it would be difficult to replace, a certified copy may be submitted. To be official, this copy must bear the original stamp or seal and signature of a school officer from the original issuing institution or examining board. The seal, stamp and signature must be placed on the copy after photocopying. Copies certified by a consulate, embassy, military, notary public or other parties are NOT acceptable. For Indian applicants we accept only certified copies of the original, complete University marksheets, not marksheets that have been retyped and consolidated by affiliated colleges. Individual transcripts from each school attended are required. If the original language of the record is not English, a certified English translation must be attached.
- If you are in the U.S. at another school, have your international student adviser complete our Transfer Recommendation Form at http://www.ou.edu/content/cis/iss/forms_and_handouts/forms_amp_docs.html.
- If you have a passport, please include a photocopy of the name page. If dependents will accompany you to OU, provide clear copies of your dependents' passport biographic page and the expiration date, along with marriage and birth certificates, as applicable, to verify your family relationship. If you are currently in the U.S., also provide a copy of the page from your passport showing your current U.S. visa.

If you are applying for the OU Norman campus mail materials to:

University of Oklahoma
Office of Admissions
1000 Asp Avenue Room 127
Norman OK 73019-4076

If you are applying for OU-Tulsa campus mail materials to:

University of Oklahoma-Tulsa
Admissions and Records
4502 E 41st ST room 2C11

Many academic programs require the GRE or other supporting materials, such as GMAT scores and/or letters of recommendation, before considering applications for admission. Some departments also have their own applications. These credentials should be sent directly to the department to which you are applying.

Graduate Admission Process

- **Office of Admissions Review** - Upon receipt of your application, the Office of Admissions will verify that all materials are received and will forward your application to the Graduate College for review.
- **Graduate College Review** - After a review of your transcripts, the Graduate College will refer your application to the academic department for their review.
- **Academic Department Review** - After the academic department reviews your complete application, they will notify the Graduate College of their admission recommendation.
- **Notification of Admission Decision** - The Graduate College will review the recommendation and forward your application and final admission decision to the Office of Admissions, who will then notify you of your admission status.
