

# Undergraduate Re-Admission Application Instructions

## How to Apply:

Former OU students must apply for readmission if it has been more than one semester and a summer term since their last attendance at the University, or if they have completed a degree or were suspended after their last enrollment at OU. Students who only enroll for summer terms (summer to summer students) do not need to reapply unless they graduate or break their continuous enrollment for a summer term.

### Application Deadline

**April 1** – fall semester or summer session

**November 1** – spring semester

This application form in PDF format is designed for you to fill out on-screen, then print and mail to the University. Or, if you prefer, you may print the application, fill it out by hand and then mail it.

Please note that **this application form cannot be sent electronically**. If you wish to submit your application electronically, go [https://ssb.ou.edu/pls/PROD/bwskalog.P\\_DisplLoginNon](https://ssb.ou.edu/pls/PROD/bwskalog.P_DisplLoginNon).

### Non-refundable application processing fee

\$40 for U.S. citizens and permanent residents

\$90 for international students

Make checks/money orders payable to the University of Oklahoma, or submit the completed credit authorization section with your application.

### Materials to be submitted in addition to the admission application and application fee:

- Submit official transcripts from each institution attended since leaving OU.
- If you have any transcripts outstanding from your previous enrollment, you will need to submit those too.

If you are applying for the OU Norman Campus, mail materials to:  
University of Oklahoma  
Office of Admissions  
1000 Asp Avenue Room 127  
Norman OK 73019-4076

If you are applying for OU-Tulsa campus, mail materials to:

Tulsa OK 74135-2512

## SUSPENDED STUDENTS

A student who has been suspended once for academic reasons from the University or any other institution in the state system of higher education may apply for readmission to the University for any semester or summer term beyond the semester in which he or she was suspended. Such readmission is not automatic but is decided on an individual basis.

**The student must submit an application for readmission, a letter of appeal, and all required transcripts to the Admissions office by April 1 for a fall semester, November 1 for a spring semester, and April 1 for a summer session.** The letter of appeal should include an explanation of the student's previous academic record, information about the student's activities since suspension, and reasons why an exception to the requirements for admission to the University should be made. A student who has been suspended twice from the University is not eligible for consideration for readmission until that student has attended another accredited college or university and raised his/her grade point average to the University's retention standards.
